did you know being loved is
something that is destined at birth?

I mean, can you believe that?

the comment above is nonsense. it just depends on how hard you try. my friend became popular after

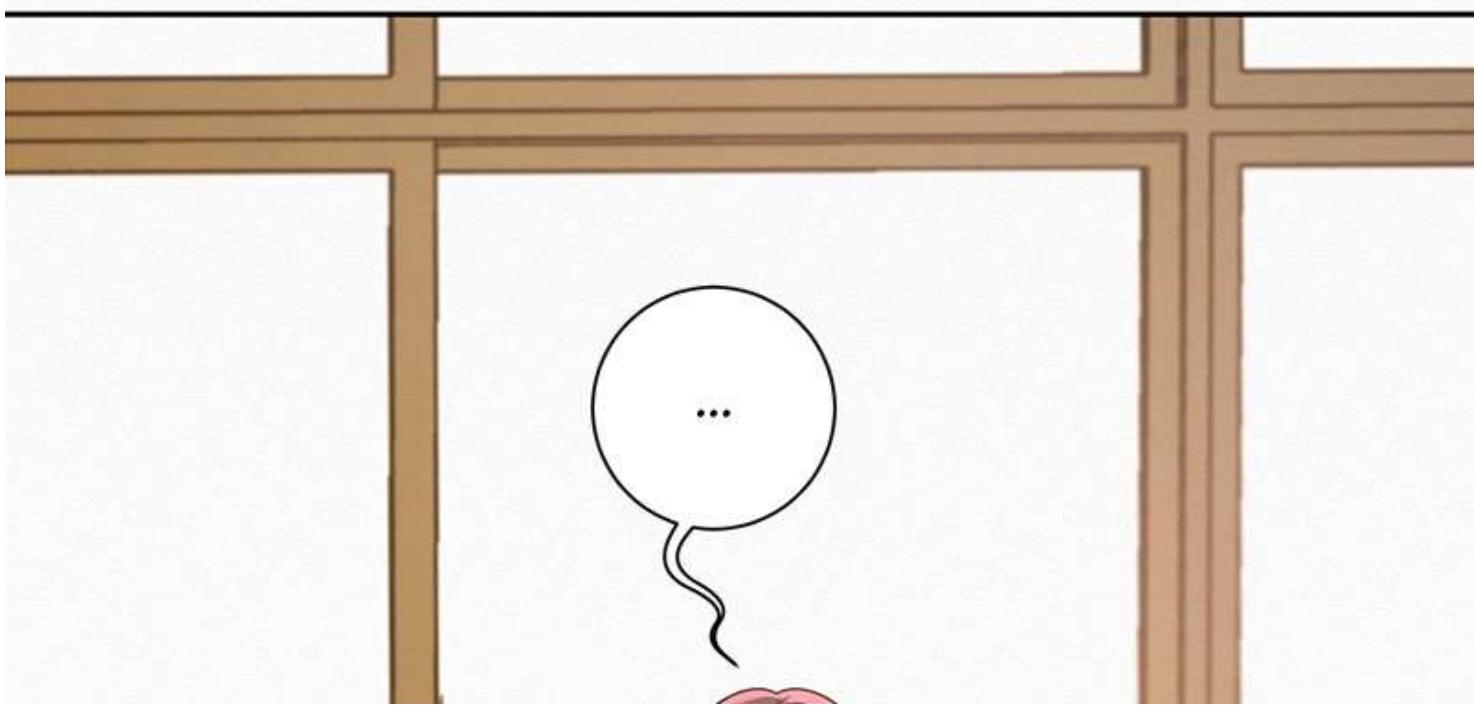

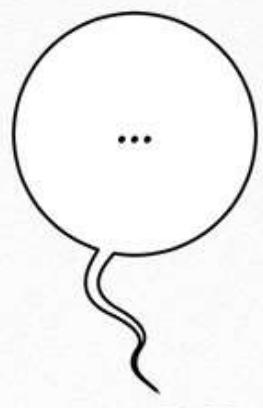

here you try. my friend became popular after
got double eyelid surgery.

well... looks aren't everything.
your personality matters too,
you know?
you need to be charming.

no, trying is useless. no matter
how hard you try, nothing changes.
